

Fig 2.5(c) Draw this line with the 30° set-square and make this line 64mm long.

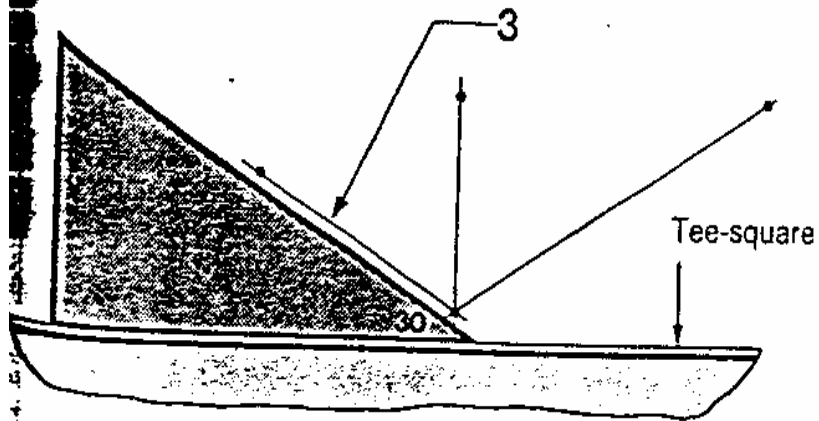

Fig 2.5(d) From the end of 2, draw line 4 with the vertical side of the set-square and make this line slightly longer than 50mm.

After Fig 2.5(d) you do not need the ruler anymore, the set-square will finish the job for you.
