

COLLEGE OF ENGINEERING

1. DEPARTMENT OF AGRIC & BIORESOURCES ENGINEERING

1. **Advanced Journal in Food Science & Technology.** Published by Maxwell Science Publications.
2. **Agricultural Engineering International:** CIGR. Published by International Commission for Agricultural Engineering Journal (CIGR). U.S.A
3. **Agricultural Water Management.**Published by Elsevier Publishers. United Kingdom
4. **American Journal of Engineering & Applied Sciences.**Published by Science Publications. USA
5. **Annals of Science, Engineering and Technology.** Published by Osun State University.
6. **Applied Engineering in Agriculture.** Published by American Society of Agricultural Engineers. USA
7. **Applied Water Science.** Published by Springer Publications. USA
8. **Arid Zone Journal of Engineering, Technology and Environment,** Published by University of Maiduguri. Nigeria.
9. **Australian Journal of Agricultural Engineering,** Published by Australian Society of Agricultural Engineers. Australia.
10. **Basin Research.** Published by International Association of Sedimentologists and the European Association of Geoscientists and Engineers. John Wiley and Sons, UK
11. **Biomass and Bioenergy.** Published by Elsevier Publishing, Elsevier Science Limited. UK
12. **Bioresource Technology.** Published by Elsevier Publishing, Elsevier Science Limited. UK
13. **Bio-System Engineering.** Published by Silsoe Research Institute, UK. Elsevier Publishing, Elsevier Science Limited. UK.
14. **Botswana Journal of Engineering.** Published by the University of Botswana. South Africa.
15. **British Journal of Agricultural Engineering Research.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
16. **Drying Technology.** Published by Taylor & Francis Group UK
17. **Energy Conversion and Management.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
18. **Energy.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
19. **Food Science and Technology International,** Published by SAGE Publications. Washington, USA.
20. **Fuel Processing Technology.** Published by Elsevier Publishing, Elsevier Science Limited. UK.

21. **Fuel Science and Technology International.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
22. **Fuel.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
23. **Geotechnical and Geological Engineering.** Published by Springer Publications. USA
24. **Global Journal of Science, Engineering and Technology.** Published by University of Tehran. <http://www.gjset.org> .
25. **Ground Water Monitoring & Remediation.** Published by Blackwell Publishing. www.wiley.com
26. **Hydrogeology Journal.** Published by International Association Hydrogeologists. UK
27. **Hydrological Science Journal.** Published by International Association for Hydrological Science. UK
28. **Hydrology Research.** Published by International Water Association (IWA). IWA Publishing, UK
29. **Ife Journal of Technology.** Published by Obafemi Awolowo University. Ile Ife, Osun State. Nigeria
30. **Industrial Crops and Products.** Published by Elsevier Publishing, Elsevier Science Limited. UK.
31. **International Agrophysics,** Published by Institute of Agrophysics. Polish Academy of Sciences. Poland
32. **International Journal of Agricultural and Biological Engineering (IJABE).** Published by Chinese Society of Agricultural Engineering. China
33. **International Journal of Agriculture & Bioresource Engineering(IJASBER),** Published by
34. **International Journal of Energy Research,** Published by Blackwell Publishing. www.wiley.com. U.K
35. **International Journal of Energy Resources.** Published by Blackwell Publishing. www.wiley.com. U.K
36. **International Journal of Engineering Research & Technology.** Published by ESRSA Engineering and Science Research Support Academy, Gujarat. India.
37. **International Journal of Engineering Research in Africa.** Published by Trans Tech Publications, Zurich Switzerland. www.scientific.net
38. **International Journal of Engineering.** Published by University of Bacau, Romania
39. **International Journal of Environmental Engineering.** Published by InderScience Publishers. India.
40. **International Journal of Food properties,** Published by Taylor and Francis Group. UK.
41. **International Journal of Food Science and Technology.** Published by Willey-Blackwell Publishing. John Willey & Co. UK.

42. **International Journal of Renewable Energy Research.** Published by Gazi University. Ankara, Greece.
43. **International Journal of River Basin management.** Published by International Water Association (IWA). IWA Publishing, UK
44. **International Journal of Water Resources Development.** Published by Taylor & Francis Group. UK
45. **Irrigation and Drainage.** Published by International Commission on Irrigation and Drainage (ICID). John Wiley & Sons, Inc., United Kingdom
46. **Journal for Agricultural Research (IAR)** Published by Ahmadu Bello University. Zaria, Kaduna State.
47. **Journal of Agricultural Engineering & Technology,** Published by Nigerian Institute of Agricultural Engineers (NIAE). Nigeria
48. **Journal of Agricultural Engineering Research,** Published by Silsoe Research Institute. UK
49. **Journal of Agricultural Engineering (JAE).** Published by the **Italian Society of Agricultural Engineering. Italy.**
50. **Journal of Agricultural Engineering,** Published by Nigerian Institution of Agricultural Engineer. Nigeria
51. **Journal of Agricultural Mechanization in Asia, Africa, and Latin America,(AMA).** Published by Farm Machinery Industrial Research Corp. Japan
52. **Journal of Agricultural Water Management.** Published by Elsevier UK. www.elsevier.com
53. **Journal of Applied Agricultural Research (JAAR),** Published by Agricultural Research Council of Nigeria, Abuja, Nigeria.
54. **Journal of Applied Agriculture,** Published by FUTA, Nigeria
55. **Journal of Applied Irrigation Science,** Published by Germany (<http://www.dlg-verlag.de>)
56. **Journal of Canadian Agricultural Engineering.** Published by Canadian society of Agricultural Engineers. Canada.
57. **Journal of Empirical Research,** Published by Ambrose Alli University, Ekpoma. Edo State.
58. **Journal of Engineering & Engineering Technology,** Published by FUTA, Nigeria
59. **Journal of Engineering and Environmental Studies.** Published by College of Engineering & Environmental Studies. Olabisi Onabanjo University, Ogun State. Nigeria.
60. **Journal of Engineering Study and Research,** Published by Faculty of Engineering, Hunedoara University, Romania

61. **Journal of Environmental Studies and Human Development**, "ZARIA GEOGRAPHER" Faculty of Science, ABU, Samaru – Zaria.
62. **Journal of Experimental Research**. Enugu State University of Science and Technology, Enugu, Nigeria. .
63. **Journal of Food Engineering**. Published by Elsevier UK. www.elsevier.com
64. **Journal of Food Process Engineering**, Published by Elsevier Publishers. UK. www.elsevier.com
65. **Journal of Food Processing & Preservation**, Published by Willey-Blackwell Publishing. John Willey & Co. UK.
66. **Journal of Food Processing & Preservation**, Published by Willey-Blackwell Publishing. John Willey & Co.
67. **Journal of Food Science & Technology**, Published by Food Scientists and Technologists Society of India (AFSTI)
68. **Journal of Food Science**, Published by Willey-Blackwell Publishing. John Willey & Co.
69. **Journal of Forestry Research and Management**. Published by Forestry Research Institute of Nigeria, Ibadan, Oyo State
70. **Journal of Hydraulic Research**. Published by Taylor & Francis Group. UK
71. **Journal of Hydrology**. Published by Elsevier Publishers. UK. www.elsevier.com
72. **Journal of Irrigation and Drainage Engineering**. Published by American Society of Civil Engineers.
73. **Journal of Natural Sciences, Engineering and Technology (JNSET)**, Published by Federal University of Agriculture, Abeokuta, Nigeria. *Formally International Journal of Agricultural Science, Sciences, Environment and Technology (ASSET)*.
74. **Journal of Raw Material Research**, Published by Raw Materials Development Council, Abuja. Nigeria
75. **Journal of Research and Production**, Published by Enugu State University of Science and Technology, ESUT, Enugu.
76. **Journal of Science and Technology**. Published by Kwame Nkrumah University of Science and Technology. Accra, Ghana
77. **Journal of Science, Technology, Mathematics and Education (JOSTMED)**. Published by Federal University of Technology, Minna, Nigeria.
78. **Journal of Soil and Water Conservation**. Published by Soil and Water Conservation Society, U.S.A

79. **Journal of the Institution of Engineers** (India) Series A. Published by Springer Publishers. USA for Institute of Engineers, INDIA
80. **Journal of Water and Land Development**. Published by Polska Akademia Nauk. Warsaw, Poland
81. **Journal of Water Resources Planning and Management**. Published by American Society of Civil Engineers. Water Resources Planning and Management Division, American Society of Civil Engineers.
82. **Journal Water Pollution Control Federation**. Published by Water Pollution Control Federation. USA
83. **LAUJET Journal of Engineering and Technology**. Published by Faculty of Engineering and Technology, Ladoke Akintola University. Nigeria
84. **Nigerian Food Journal**, Published by the Nigerian Institute of Food Science and Technology, Nigeria.
85. **Nigerian Journal of Engineering**. Published by Ahmadu Bello University. Zaria, Kaduna State.
86. **Nigerian Journal of Soil Research**, Published by Faculty of Agriculture/IAR, Samaru – Zaria.
87. **Nigerian Journal of Technology**. Published by University of Nigeria (UNN). Nsukka, Enugu State
88. **Pacific Journal of Science and Technology**. Published by Akamai University. USA. www.akamaiuniversirt.us.
89. **Postharvest Biology and Technology**. Published by Elsevier UK. www.elsevier.com
90. **Renewable Energy**. Published by Elsevier UK. www.elsevier.com
91. **Revista Científica UDO Agrícola**. Published by Bioline publishers Toronto. Canada. www.udoagricola.150m.com
92. **Savanna Journal of Agricultural Mechanization**, Published by Nigeria Society of Agricultural Engineering, Northwest branch, IAR/ABU, Zaria.
93. **Soil and Tillage Research**. Published by Elsevier UK. www.elsevier.com
94. **Sustainability of Water Quality and Ecology**. Published by International Water Association (IWA) Elsevier Publishers, United Kingdom
95. **Transactions of the American Society of Agricultural Engineers**. Published by American Society of Agricultural & Biological Engineers (ASABE).
96. **Tropical Agriculture**, Published by The University of the West Indies, St Augustine Trinidad and Tobago, West Indies
97. **Waste Management**. Published by Elsevier UK. www.elsevier.com
98. **Acta Agrophysica**
99. **Acta Technologica Agriculture**. The Scientific Journal for Agricultural Engineering Slovak University of Slorma Published by Degnator
