
EROMOSELE Ighodalo Clement

Degree: B.Sc., M.Sc., Ph. D., FICCON

Email: iceromosele@yahoo.com

Telephone: 08033430064

Fax: 234-39-243045j

Department: Chemistry

Academic Rank: Professor

Current position:

Research Interest:

- Ionic and free radical polymerization of vinyl monomers
- Polymer stabilization.
- Local raw materials sourcing & studies on local fibres.
- Graft copolymerization reactions
- Environmental chemistry.

DETAILED RESUME

ACADEMIC DEGREES WITH DATE

- Ph.D Polymer Chemistry (Dublin) - 1985
 - M.Sc Polymer & Fibre Science (UMIST) - 1981
 - B.Sc. (Hons) Biochemistry - 1977
-

INSTITUTIONS ATTENDED WITH DATE

- University of Dublin, Trinity College, Dublin, Ireland - 1981-1985
 - University of Manchester Inst. Of Science & Technology, Manchester (UMIST) England - 1979-1981
 - University of Ibadan, Ibadan, Nigeria - 1974-1977
-

MEMBERSHIP OF PROFESSIONAL BODIES

- Certificate in Office Management (with distinction) - 1981
 - Member, Plastics & Rubber Institutes (MPRI), London - 1986
 - Associate member, Institute of Administrative Management (M. Inst, AM) London - 1981
 - Member, Chemical Society of Nigeria - 1996
 - Member, Polymer Institute of Nigeria - 1996
 - Fellow, Institute of Chartered Chemists of Nigeria - 2007
-

PRIZES, HONOURS, NATIONAL AND INTERNATIONAL RECOGNITIONS.

- Study Fellowship Award by Rubber Research Institute of Nigeria Benin City for Masters degree in Polymer & Fibre Science - 1979
- Federal Government of Nigeria Scholarship Award for a Doctorate degree in Polymer Chemistry - 1983

COURSES TAUGHT

- Introduction to Rubber Technology
- Petrochemistry
- Industrial Chemical Processes
- Polymer Chemistry
- Heterocyclic Chemistry
- Carbohydrate Chemistry
- Amino, Acids, proteins and Nucleic Acids
- Aromaticity
- Industrial Chemistry Laboratories
- Lipid Chemistry
- Introduction to Physical properties of Polymers
- Polymer Technology
- Physical Organic Chemistry & Reaction Mechanisms

COURSES TAUGHT AT THE POSTGRADUATE LEVEL

- Polymer Science
- Polymer Technology

SOME PROJECTS SUPERVISED (Undergraduate)

- Graft Copolymerization of Ethymethacrylate on Kraft pulp of Gmelina arborea
- Graft Copolymerization of methylmethacrylate on Caesarweed fibre (Urena lobata) by potassium permanganate Toluene redox pair.
- Studies on the Chemical composition on wild fruits
- Evaluation of the total nutritional status of some local animal feeds.
- Studies on the chemical composition of some plant foods.
- The sorption of heavy metal ions by Cellulosic materials
- Free-radical polymerization of Acrylic acid: a polymer for interpenetrating network based on polyurethanes.
- Characterization of seed oils.
- Graft copolymerization of acrylic acid onto cotton by ceric ammonium sulphate
- Analyses of the biochemical composition of selected seeds
- Molecular weight properties of polyacrylonitrile polymerized by ceric ammonium sulphate – thioacetamide redox system
- Graft Copolymerization of acrylic acid onto cotton by potassium permanganate – Oxalic acid redox system.
- Graft Copolymerization of acrylonitrile on cotton by potassium permanganate – thioacetamide redox pair

- Determination of the asorbic acid contents of selected Sub-Sahel fruits.
- Effects of cations on Graft copolymerization of acrylonitrile/acrylic acid on cotton.
- Graft Copolymerization of methacrylonitrile on kenaf fibres
- Studies on Local Seed Oils
- Sorption of heavy metal ions from non-aqueous solvents
- Bleaching characteristics of local seed oils
- The Physico-Chemical properties of some local cellulosic fibres.
- Adsorption of metal ions from Aqueous and non-aqueous solutions by Shea butter seed husks.
- Graft Copolymerization of acrylic acid on Cassarweed fibres by Ceric ion thioacetamide redox system
- Studies on some Seeds and Seed Oils.

POSTGRADUATE SUPERVISION (Completed)

- **Popoola**, Saheed Abiodun, M.Sc, 2009: Studies on Seeds, Seed Oils and Alkyd Resin Derivatives of *Pterocarpus santalinoids* and *Manihot esculenta*.
- **Barminas**, Jeffery Tsware, Ph.D, 2004: Studies on Solution Behaviour of "Konkoli" (*Maesopsis eminii*) seed Gum.
- **Yusuf**, Abolanle Adekunle, Ph.D, 2007: Structural, Physico-Chemical and Rheological Properties of the Exudate Gum of *Berlinia grandiflora*, Hutch & Daiz.
- **Folarin**, Olujimi Moses, Ph.D 2008: Thermal stabilization of Poly (vinylchloride) by *Ximenia americana* (Wild Olive) and *Balanites aegyptiaca* (Betu) Seed Oils and their Derivatives.

RESEARCH CONDUCTED

C. PAPERS PRESENTED AT VARIOUS FORA

1. **I.C. Eromosele**, "An enabling environment for sustainable national socio-economic development". Presented as a Guest Lecture to the Rotary Club of Jimeta, 17 August, 1996, Yola
2. **I.C. Eromosele**, C.O. Eromosele, "Polymer Science and Technology in National Development". Presented at the International Conference on 3rd World Strategies for Technological Development, 20 – 26, August, 1989, Yola.
3. **I.C. Eromosele**, "The Christian family in a distressed economy: an appraisal of the Nigerian experience" St. Augustine's Day Celebration Lecture: 29, August, 1997
4. **I.C. Eromosele**, "Socio-cultural Associations and the imperatives for Nigeria in Search of nationhood". Presented to the Imiava National Development Association, Yola Branch, December, 1996
5. **I.C. Eromosele**. "Socio-cultural Dimensions to National Development". Presented as a Keynote address at the School-child Wheelchair presentation ceremony organized by Common Heritage Foundation, Yola, 1st December, 1998.
6. **I.C. Eromosele**. "Nigerian Youth Development and the Challenges of the 21st Century" St. Augustine's Laity Week Celebration Lecture. 24th March, 1999.
7. **I.C. Eromosele**. Church Development and the Promotion of the Christian Faith. A Guest Lecture at the Appeal Fund Launching for Musical Instrument by St. Vincent Chaplaincy. FUT., Yola, 6, August, 2000.

8. **I.C. Eromosele**, The Imperatives for A Virile Chemical Industry In Nigeria. The 13th Inaugural Lecture of the University of Agriculture, Abeokuta, 30 January, 2002.
 9. **I. C. Eromosele**, " On the Need to Reconstruct Nigeria for Development".
Guest lecture to the Rotary Club of Abeokuta, 2006.
