
LASISI Aliyu A.

Degree: B.Sc., M.Sc., Ph.D.

Email:

Telephone:

Fax: 234-39-243045

Department: Chemistry

Academic Rank: Lecturer II

Current position:

Research Interest:

DETAILED RESUME

ACADEMIC DEGREES WITH DATE

INSTITUTIONS ATTENDED WITH DATE

MEMBERSHIP OF PROFESSIONAL BODIES

PRIZES, HONOURS, NATIONAL AND INTERNATIONAL RECOGNITIONS.

COURSES TAUGHT

RESEARCH CONDUCTED

PUBLICATIONS

1. Amusan A. A.A.S., Anyaele O. O. and **Lasisi A. A.:** Effects of Copper and Lead on Growth Feeding and Mortality of Terrestrial Gastropod *Limicolaria Flammea* (Muller, 1774). – *African Journal of Biomedical Research* (2002) Vol. 5 : 47 – 50.
2. E. O. Dare, G. A. Olatunji, D. S. Ogunniyi and **A. A. Lasisi** : New Routes to Functionalized Polyhedral Oligomeric Silsesquioxanes via Friedel-Crafts Alkylation and Dichlorocarbene Addition to Octavinylsilsesquioxane. – *Polish J. Chem.*, 79, 109 – 114 (2005).
3. **A. A. Lasisi**, A. A. Yusuff, B. C. Ejelonu, F. O. Nwosu, M. A. Olayiwola: Heavy Metals and Macronutrients Content in Selected Herbal Plants of Nigeria. - *International Jour. Chem.* Vol. 15, No. 3 (2005) 147 – 154.

4. **Aliyu Adebayo Lasisi** and A. A. S. Amusan: Phytochemical and Antimicrobial Activity of the Leaf Extracts (Crude) of *Malacanta Alnifolia* (Sapotaceae) and *Brysocarpus Coccineus* (CONNARACEAE). – *International Jour. Chem. Vol. 15 No. 4 (2005) 215 – 220.*
 5. **Adebayo A. Lasisi**, Isiaka A. Ogunwande, Tameka M. Walker and William N. Setzer : Volatile Constituents of the Stem and Root Barks of *Pyrenacantha staudtii* Engl. – *Natural Product Communications 2006 vol. 0 No. 0 1-3.*
 6. O. A. Idowu, S. B. Apalara and **A. A. Lasisi**: Assessment of quality of Chloroquine tablets sold by drug vendors in Abeokuta, Nigeria. – *Tanzania Health Research Bulletin (2006), Vol. 8, No. 1.*
 7. A. A. Yusuf, S. Adewuyi and **A. A. Lasisi** : Physico-Chemical Composition of Leaves, Meals and Oils of Fluted Pumpkin (*Telfairia occidentalis*) and Melon (*Citrillus vulgaris*) – *Agricultural Journal 1 (1) : 32 – 35, 2006.*
 8. Yusuf A. A. and **A. A. Lasisi**: Compositional Analysis of Horse Eye (*Dioclea reflexa*) Seed Flour and Its Cake. – *Agricultural Journal 1 (1) : 28 – 31, 2006.*
 9. **Lasisi A. A.**, Akinloye O. A. and Aperua V. I. : Evaluation of Phytochemical, Haematological and Toxicological Properties of *Malacantha alnifolia* (P. Rous) Stem-Bark Extract in Rats. - *Proceedings of the Second Conference on Science and National Development, 10-13 October, 2006.*
 10. Yusuf A. A., Akinhanmi T. F., **Lasisi A. A.** , and Ayedun H.,: Physicochemical Properties of *Khaya grandifolia* (OGANWO) Exudate Gum. – *Proceeding of the Second Conference on Science and National Development 10-13 October, 2006.*
 11. Kehinde T. A., **Lasisi A. A.**, Yusuf A. A. and Olayiwola M. A.,: Isolation and Characterization of Anthocyanin Pigments in *Basella alba* Seed. - *Proceeding of the Second Conference on Science and National Development 10-13 October, 2006.*
 12. **A. A. Lasisi**, D. A. Ojo, Dare E. O., Olayiwola M. A., and Adebisi S. A. : Invitro Anthelmintic and Antibacterial Properties of the leaf Hexane Isolates of *Pyrenacantha Staudti* I EngL (*ICACINACEAE*).
 13. Aderemi R., Adegbola, Enock O. Dare, **Aliyu A. Lasisi**: Spray Reagents for the Visualization and Detection of Sesame Oil Unsaponifiables on Thin-Layer Chromatograms. *Chromatographia 2008, 68, 151 – 153.*
