

## **AUTO BIOGRAPHY OF EGBEYALE, Lawrence Tokunbo (PhD)**

I, Dr. Lawrence Tokunbo Egbeyale was born on January 23, 1975 at Itire, Lagos State to Chief Emmanuel Adeola and Mrs Rachael Omolere Egbeyale who hailed from Oyo State. I attended Baptist Primary School, Ilua (1982 – 1987), Okeho-Iganna Grammar School and Ansar-Ud-Deen High School (1988 – 1994) both in Okeho, Oyo State. I later proceeded to the University of Agriculture, Abeokuta (now Federal University of Agriculture Abeokuta) where I obtained Bachelor Degree in Animal Science (First Class Division, 2004), Master of Agriculture and Doctor of Philosophy in Non-ruminant Production and Hatchery Technology in the year 2007 and 2010, respectively.

After my National Youth Service Corps (NYSC), I joined the service of the University of Agriculture, Abeokuta in 2005 in the Department of Animal Production and Health as a Graduate Fellow which later converted to Graduate Assistant in 2007. I rose through the ranks to Senior Lecturer in 2016.

I have numbers of distinctions, honours and awards. Such achievements are, Federal Government Scholarship (2003), Best graduating student in the College of Animal Science and Livestock Production (the College comprises of five Departments) in 2004, Ogun State Printing award for the best graduating student in the College of Animal Science and Livestock Production (2004), University of Agriculture Graduate Fellowship for Postgraduate studies (2006-2007) and commendation letters from the Head of Department of Animal Production and Health and Vice-Chancellor, Federal University of Agriculture, Abeokuta.

My service within the University are; Secretary, Department of Animal Production and Health, (2007 – 2011), member, College Board of Animal Science and Livestock Production (2008 till date), COLANIM Representative in Time Table and Examination Committee, Departmental Examination Officer, Member of College Committee on Examination and Results (COCER), Member of University Ceremonial Committee and Departmental Postgraduate Coordinator.

I belong to many Professional Bodies. These include; Nigerian Society for Animal Production, Animal Science Association of Nigeria, World Poultry Science Association, Nigerian Institute of Animal Science and British Society of Animal Science. My services to community include; Assistant Programme Coordinator, Youth Fellowship (2006 – 2008), Bible Study Coordinator (2008- 2011), Secretary, Youth Fellowship (2009 - 2011) and Coordinator, Teenager's Church (2012 - 2015), all at Victory Baptist Church, Obantoko, Abeokuta, Treasurer and Chairman of Newlife zone and Itesiwaju Community Development areas, respectively.

My research areas focus on management of hatching eggs and the use of medicinal plants as a replacement for the use of antibiotics in field of poultry and rabbit production since there is prohibition on the use of antibiotics due to their residual adverse effect. I have supervised 59 undergraduates, 3 Postgraduate diploma, 30 Master and 2 PhD students. I have forty-two articles in learned Journals and 34 papers in referred conferences proceedings.

I am happily married to Mrs. Grace Oluwatoyin Egbeyale and God has blessed me with three children.
