MANAGING ETHNICISM: THE ROLE OF SOCIAL STUDIES EDUCATION

J.O.Shopeju

Department of General Studies, University of Agriculture, Abeokuta

ABSTRACT

This paper observes that ethnicism is one of the factors which form the basis of the sociopolitical and economic problems confronting Nigeria today .

It notes that this issue would rather not be discussed. The paper reviews some of the problems which are related to ethnicism as they affect: integration of the various groups residing within Nigeria and the role of social studies education in ameliorating the attendance problems.
