FUNAAB RESUMES FOR 2019/2020 ACADEMIC SESSION

The Senate of the Federal University of Agriculture, Abeokuta at its Meeting of January 7, 2021 approved the commencement of the 2019/2020 Academic Session. Senate noted the challenging circumstances facing the world today through the COVID-19 pandemic and its attendant effects on crowd management, social distancing and the need to maintain the non-pharmaceutical protocols in controlling the spread of the disease. It therefore approved that lectures for the 2019/2020 Academic Session shall commence through a tailored virtual platform to ensure the realization of hitch free resumption plan for the session. To this extent, all students of the University would be introduced and trained online on a new platform for teaching and learning as stated in the approved calendar.

Students are to log on to the University's Student portal (portal.unaab.edu.ng) from January 11, 2021 for their training and other details on the virtual platforms for their lectures.
