CURRICULUM VITAE

Name: **AYO-JOHN** Emily Ibitaiyewa (NEE DONGO)

Qualifications:

Academic Educational Institutions Attended (with dates)

University of Ibadan, Ibadan	**Ph.D.** (Plant Virology) (2005)
University of Ibadan, Ibadan	**M.Sc.** Agric. Biology (Plant Pathology) (1992)
University of Benin, Benin City	**B.Sc.** Botany (1990)

Trainings/conferences:

2026: Teaching Entrepreneurship using Effectuation, held at Federal University of agriculture, Abeokuta from September 14-16, 2026

2026: ICSS for All, held at Nigeria Army Conference centre & Suites (NACCAS) Abuja from April 21-22, 2026

2026: Aremu, E. I., Ayo-John, E. I., Afolabi, C. G. and Oduwaye, O. A.

(2026). Influence of ambient weather conditions on aphid population density, viral symptoms incidences, and yield of pepper intercropped with tall and or spicy plants. Annual conference of the Nigerian Society for Plant Protection Annual Conference held at National Horticultural Research Institute, Ibadan, Nigeria from April 12-16 2026.

2026: ICSS 2.0 Trainers/Facilitators/Coaches ToTFC Master trainer Proficiency Course held at Abii's Hotel Abeokuta from February 23-26, 2026.

2025: 3-day ICSS version 2.0 readiness training of Trainers, Facilitators and Coaches, 2-4 June, 2025, AA Entertainment Hotel foer (Park Inn Hotel), 1 Ibrahim Babagida Boulevard, kuto, Abeokuta.

2025: Deans and Directors Retreat on University governance in challenging times held at Conference Hotel, Sagamu from August 19-21 2025.

2025: Familiarization and capacity building for ICSS, held June 21, 2025 at 16 Oba Osile Street, Q3, Ibara Estate, Abeokuta Ogun State.

2023: ICSS training of Trainers, Facilitators and Coaches, (ToTFC) workshop held in Lagos, May15 to May 26 2023.

2021: ICDC computer skills acquisition certification (Base Module) March 14-28 2020

Membership of learned Societies/Professional Associations

i. Nigerian Society for Plant Protection (NSPP)
ii. Biotechnology Society of Nigeria (BSN)
iii. American Phytopathology Society (APS) (African Division)

WORK EXPERIENCE:

(Professor of Plant Virology, Area of specialization Plant Virology

(i) Professor: Federal University of Agriculture, Abeokuta	**2017 - date**
(ii) Reader: Federal University of Agriculture, Abeokuta	**2014- 2017**
(iii) Senior Lecturer: Federal University of Agriculture, Abeokuta	**2011-2014**
(iv) Lecturer I: Federal University of Agriculture, Abeokuta,	**2008-2011**
(v) Lecturer II: Federal University of Agriculture, Abeokuta,	**1999-2008**

UNIVERSITY APPOINTMENTS

1. Member, FUNAAB Governing Council	**2026 to date**
2. University Orator	**2025 to date**
3. Director, Centre for Entrepreneurial Studies (CENTS)	**2023 to 2025**
4. Acting Head of Department	**2016 to 2018**
