

Damilola Janet IBIGBAMI (nee Omoisebi) is a registered animal scientist and a lecturer of non ruminant production with over four years experience as an academic. She obtained her B.Agric (animal science) from Babcock University in 2009 and M.Agric and PhD (non ruminant production) in 2012 and 2016 respectively. She has supervised 12 undergraduate projects. She has published 10 journal articles and 6 referred conference proceedings till date. She is a member of Nigerian society for animal production and animal science association of Nigeria. In addition to her professional work, through her passion for leadership and child development, she has some initiative groups which she serves in and a few of which she is priviledged to lead.

## **PERSONAL INFORMATION**

**Name:** IBIGBAMI Damilola Janet

**Date of Birth:** January 03, 1988

**Place of Birth:** Ibadan Oyo state

**Sex:** Female

**Marital Status:** Married

**Nationality:** Nigerian

**Town and State of Origin:** Ikere, Ekiti State

**Department:** Animal Production and Health

**E-mail address:** ibigbamidj@funaab.edu.ng

**Phone numbers:** +2348139559768, +2349025046951

**Rank:** Lecturer I

**Researchgate address:** [https://www.researchgate.net/profile/Ibigbami\\_Damilola](https://www.researchgate.net/profile/Ibigbami_Damilola)

**LinkedIn address:** [linkedin.com/in/ibigbami\(omosebi\)damilola/](https://www.linkedin.com/in/ibigbami(omosebi)damilola/)

**Google Scholar profile:** <https://scholar.google.com/ibigbamidamilola>

**ORCID number:** <https://orcid.org/0000-0002-3949-5624>

**Qualifications:** Ph.D.

## **MEMBERSHIP OF PROFESSIONAL BODIES**

- Nigerian Society for Animal Production (NSAP)
- Member, Animal Science Association of Nigeria (ASAN)
- Member, Nigerian Institute of Animal Science (NIAS)

## **AWARD RECEIVED**

- Award of Commendation from NYSC Taraba State for selfless service in primary assignment and community development activities in Taraba State batch B service year (June 2010)

## **RESEARCH CONDUCTED**

- i. Response of broiler chickens to cold aqueous extract of fresh sweet orange peel

- ii. Use of sole or combination of herbal plants as alternative in-feed antibiotics in growth and morphological responses, nutrient digestibility, haematological and serological responses of growing pigs
- iii. Response of broiler chickens to different levels of feed restriction and feed forms
- iv. Response of broiler Chickens to hot aqueous extract of fresh sweet orange peel
- v. Response of broiler chickens to dried sweet orange and plantain peel meal as partial replacement for maize

### CONFERENCES ATTENDED

- i. June 2023- 48<sup>th</sup> Annual Conference of the Nigerian Society for Animal Production (NSAP) held on Jun 18-22, 2023 at Federal University, Dutsin-Ma Katsina state
- ii. March 2022- 47<sup>th</sup> Annual Conference of the Nigerian Society for Animal Production (NSAP) held on Mar 14-17, 2021 at University of Jos, Jos, Plateau state
- iii. March 2021- 46<sup>th</sup> Annual Conference of the Nigerian Society for Animal Production (NSAP) held on Mar 15-18, 2021 at Federal University, Dutsin-Ma Katsina state
- iv. March 2020- 45<sup>th</sup> Annual Conference of the Nigerian Society for Animal Production (NSAP) held on Mar 16-19, 2020 at Abubakar Tafawa Balewa University, Bauchi  
**Paper presented;** Effect of sole and combined herbal leaf meal as feed additives antibiotics on carcass characteristics and meat quality of growing pigs
- v. March 2016- 41<sup>st</sup> Annual Conference of the Nigerian Society for Animal Production (NSAP) held on Mar 20-24, 2016 at Federal University of Agriculture, Abeokuta, Ogun state
- vi. September 2015- 4<sup>th</sup> ASAN-NIAS Joint Annual Meeting held on Sept 6-10, 2015 at the International Conference Centre, University of Ibadan, Oyo State
- vii. September 2014- 3<sup>rd</sup> ASAN-NIAS Joint Annual Meeting held on Sept 7-11, 2014 at the International Conference Centre, University of Ibadan, Oyo State  
**Paper presented:** Influence of duration and level of feed restriction on blood parameters, carcass characteristics and feed cost of Marshal broiler chickens.
