

Olusegun Olufemi OLUBODE (SP 470)
Profile of academic staff

i. Brief biography

Olubode Olusegun Olufemi, Ph. D. (Horticulture), Professor of Pomology at the Department of Horticulture, Federal University of Agriculture, Abeokuta, Nigeria. He is well published in horticultural research with special areas in fruit agronomy, organic agriculture, and cropping systems, and has to his credits 43 publications which includes 24 journal articles, 19 conference proceedings and a book chapter. His research works presented at conferences include findings on season/climate change environmental effects on fruit crops production and productivity, and cropping systems research of fruit crops intercropped with annual vegetable crops, etc., and technical reports on capacity buildings in tertiary institutions. He was a former Head, Department of Horticulture. He is well travelled. Conferences attended with papers read include 81 World Academy of Science, Engineering and Technology, held in September 2013, Singapore., 3rd All Africa Horticultural Congress held at International Institute for Tropical Agriculture (IITA), Nigeria in June 2016, among others. He is a Fellow, African Scientific Institute (ASI), nominated for Fellowship Awards of the Horticultural Society of Nigeria (HORTSON), and a serving Editorial Board Member Journal of Botanical Research (JBR). He was the immediate past National Chairman Fascination of Plant's Day Program (FoPD), and the former South West Zonal Coordinator, Horticultural Society of Nigeria (HORTSON). He is presently a Visiting Professor Federal University Oye-Ekiti (Ikole-Ekiti campus), Ekiti State, Nigeria.

Member: Nigerian Institute of Landscape
Horticulturists (NILH)

Member: Landscape Horticultural Association
of Nigeria (LAHORAN)

xv. Award Received: Fellow African Scientific Institute USA, Nominated for Award of Fellow HORTSON

xvi. Research Conducted:

a) Productivity of pawpaw/vegetable intercrop supplied with organo-mineral fertilizer Ph.D. Thesis 2010

b) Effect of organic manure on growth and yield of pawpaw, .M.Sc. Dissertations 1989

c) Seed viability tests on *Centrosema* (*Centrosema pubescens* L.) B.Sc. Project, 1984

d) Growth, yield and quality responses of Hybrid Tea rose cut flowers to Organo-mineral fertilizers rates and organic preservatives using plant extracts and bio-Regulators, FUNAAB RESDEC Grant no 197

xvii. Conference Attended:

* 37th Annual Conference of Horticultural Society of Nigeria, held at the Faculty of Agricultural Technology, Rufus Giwa Polytechnic, Owo, Ondo State Nigeria. 18th – 22nd November, 2019. / Olubode, O.O., Amidu, S.B., Atilola, I.A., Okunloye, O.O., Olukanni, O.S., Olubode, A.A., Oyegoke, C.O.
