

OWOEYE, Segun Daniel

An accomplished academic with over a decade of university teaching and research experience in corporate finance, investment analysis, and development banking. Proven track record of scholarly publications in high-impact journals, academic leadership, and interdepartmental collaboration. Expert in macro-financial linkages, monetary policy, financial development, and capital markets in sub-Saharan Africa. Passionate about promoting innovative learning methods and mentoring the next generation of finance professionals. Actively involved in curriculum development, student advising, and research funding acquisition.
