

COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT

Department of Aquaculture and Fisheries Management

MAF (Aquaculture and Fisheries Management)

BADRU Kabirat Olanike

Dissertation: Effects of Yeast Products on African Catfish (*Clarias garieinus* Burchel 1822) Performance and intestinal Morphology

AKINDE Abiodun Oluwole

Dissertation: Potentials of Desert Locust (*Schistocerca Gregaria*) Waste Meal as a Dietary Protein Source in the Diets of *Oreochromis niloticus* Fingerlings (Linnaeus, 1758)

Department of Environmental Management and Toxicology

MEMP (Environmental Management and Protection)

AYINDE Florence Omotola

Dissertation: Proximate Composition and Health Risk Assessment of Trace Metal Levels in Community Sold Cereals in FCT Abuja Markets, North-Central Nigeria

ADEYEMI Azeem Adedeji

Dissertation: Impact of Industrialization on Groundwater Quality in Ota and Sagamu Industrial Areas of Ogun State, Nigeria

AIGBODION Cynthia Odion

Dissertation: Levels and Health Risk Assessment of Metals in Selected Drinks from Abeokuta, Ogun State, Nigeria

NOFIU Monsuru Adurape

Dissertation: Occupational Exposure to Wood Dust and Effects on the Respiratory System of Sawmill Workers in Abeokuta Metropolis, Ogun State, Nigeria,

BAKRE Aminat Abiola

Dissertation: Geochemical, Risk Assessment and Source Identification of Selected Metals in Water and Bottom Sediments of Oyan Lake, Ogun State, Nigeria

SHASORE Aminat Tolulope

Dissertation: Geochemical Assessment of Groundwater Quality in Rural Areas of Arimogija-Okeluse Southwestern Nigeria

MICHEAL Chinnoye Rita

Dissertation: Assessment of Leachate Plume Migration and Groundwater Pollution around Abule-Egba Dumpsite Lagos, Southwestern Nigeria

AWOLOKUN Gbenga Saheed

Dissertation: Heavy Metals and Radionuclide Concentrations in Groundwater of Selected Industrial Areas in Ogun State, Southwest Nigeria

MEM (PROFESSIONAL)

OSIFESO Elizabeth Olaoluwa

AKINTOLA Abdulahi Akingbolahan

BAMISHE Mujidat Folashade

TALABI Oluseye Philip

SALAU E-emevor Kafayat

OLONADE Oluwatosin Victoria

ASHIMI Ibrahim Kolapo

OKOYE Obiora Onyeabo

OYEBAMIJI Babatunde Teslim

Department of Forestry and Wildlife Management

MF (Forest Economics and Management)

SULAIMON Shukurat Afolashade

Dissertation: Economic Valuation and Phytochemical Analysis of Strength-Enhancing Forest Plants in Ogun State, Nigeria

MWS (Wood Science)

KUSAMOTU Oladele Tijani

Dissertation: Ergonomics Assessment of Saw Mill Industries in Ogun State, Nigeria

Department of Water Resources Management and Agricultural Meteorology

M.Sc. (Hydrometeorology)

ZANNU Ajibola Emmanuel

Dissertation: Effects of Urbanization on Climate in Lagos State, Nigeria

COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT

Department of Aquaculture and Fisheries Management

MAF (Aquaculture and Fisheries Management)

ALABI Omotayo Tosin

Dissertation: Assessment of the Adoption Level of Improved Traditional Fish Smoking Oven, Nutritional Quality and Safety of Smoked Fish in Lagos State, Nigeria

ONIRETI Oluwatoyin Bukunmi

Dissertation: Influence of Water Quality Parameters in Plankton and Ichthyofaunal Diversity in Eleyele Reservoir, Ibadan, Oyo State, Nigeria

OBINANI Gregory Chijioke

Dissertation: Morphometric, Feeding Habits and Reproductive Biology of *Pseudotolithus typus* (Bleeker, 1863) and *Galeoides decadactylus* (Bloch, 1795) in Marine Water, Badagry, Off Lagos Coast, South West, Nigeria

NWEKOYO Vitalis Ezeka

Dissertation: Morphometric and Genetic Variation of *Oreochromis niloticus* (Linnaeus, 1758) from Cultured and Wild Population Using mtDNA D-loos Sequences

MUSA Usman Maizare

Dissertation: Ecosystem Status and Fisheries Resources of Shagari Reservoir, Sokoto State, Nigeria

SANGOSINA Moshood Adebola

Dissertation: Sex Reversal, Growth Performance and Haematological Parameters of Ecotype Cichlid Tilapia 'Wesafu' and *Oreochromis niloticus* Using *Carica papaya* and *Telfairia occidentalis* Seeds

BAIYEWU Adesola Kafayat

Dissertation: Effects of Adoption of Improved Fishing Technologies on Profitability of Artisanal Fisheries in Ibeju-Lekki and Epe Local Government Areas, Lagos State

ODUSANYA Aderonke Folasade

Dissertation: Prevalence and Intensity of parasites and Bacteria found in Farmed Raised African Catfish, *Clarias gariepinus* in Lagos State, Nigeria

Department of Environmental Management and Toxicology

MEMP (Environmental Management and Protection)

EDWARD Monday Ossai

Dissertation: Assessment of Biodiesel Production from Mango Seeds Using Conventional and in-situ Methods

AKINDELE Samsondeen Olawale

Dissertation: Assessing the Impacts of Quarrying Activities on Neighbouring Communities in Odeda Local Government, Ogun State, Nigeria

ARE Damilola Bunmi

Dissertation: Land Use /Land Cover Change and Vegetation Dynamics of Alabata Area, Abeokuta, Ogun State, Nigeria

AMUSAT Mudasiru Abiodun

Dissertation: Evaluation of the Effect of Treated and Untreated Wastewater on the Growth and Yield of *Amaranthus hybridus*

MUSA Moshood Olawale

Dissertation: Spatial Distribution, Pollution Index, Receptor Modelling and Health Risk Assessment of Metals in Road Dust of Lagos Metropolis. Southwest, Nigeria

MEM (PROFESSIONAL)

OLUWASANYA Opeyemi Ayokunnu

GBADAMOSI Luqman Idowu

OKUNOWO Aderonke Olubusayo

OKPALE Joseph Idoko

AMODU Olusola Ramon

ASIYANBI Babatunde Olasupo

IJADUADE Riskot Omotayo

AWOGBEMI Bamidele Joshua

AVOSEH Samuel Ayomide

Department of Forestry and Wildlife Management

M.F. (Agroforestry)

ABODUNRIN Emmanuel Kolawole

Dissertation: Allelopathic Influence of Neem (*Azadirachta indica* A. juss), Cassia (*Senna Siamea* Lam.) and Mango (*Mangifera indica* L.) on Germination, Growth and Yield of Maize (*Zea mays*)

M.F. (Forest Ecology and Conservation)

OLOWONEFA Taiwo John

Dissertation: Assessment of Nutrient Deficiency Symptoms in Seedlings of *Albizia lebbek* (L.) Benth

MAJOLAGBE Michael Olusola

Dissertation: Provenance Variations in Early Seedling Growth of *Amona Muricata* L. from Selected Ecological Zones in South western Nigeria

Department of Water Resources Management and Agricultural Meteorology

M.Sc. (Agrohydrology)

ADETUNJI Felicia Oluwayemisi

Dissertation: Soil-Water-Plant Status of Intercropped Sorghum (*Sorghum bicolor* (L) Moench) with Melon (*Citrullus vulgaris* L) under Farmyard Manure Amended Soil in Abeokuta, South West Nigeria

M.Sc. (Agrometeorology)

RABI'U Ya'u

Dissertation: Effects of Mulching on Water Use Efficiency and Thermal Indices of Groundnut Intercrop with Maize in a Forest-Savanna Transition Zone, Nigeria

FADIPE Oluwasegun Babatunde

Dissertation: Application of Geo-Informatics to Spatio-Temporal Aspects of Evapotranspiration in Abeokuta South, Abeokuta North and Odeda Local Government Areas of Ogun State

COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT

Department of Aquaculture and Fisheries Management

Ph. D. (Fisheries Management)

AJIBOYE Elijah Olusegun

Thesis: Physico-chemical Parameters, Plankton, Benthic Macro-Invertebrate and Fish Fauna of Akomoje Water Reservoir, Abeokuta, Ogun State.

Supervisor: **Prof. F. I. Adeosun**

OLADOSU-AJAYI Rosemary Nkese

Thesis: Shelf-life Elongation of Smoked Clupeids, *Ethmalosafimbriata* (Bowdich, 1825) and *Sardinellamaderensis*(Lowe, 1839) Using Essential Oil from Lemon, *Citrus Limon*

Supervisor: **Prof. F. O. A. George**

KUFORJI Augustine Olusoji

Thesis: Evaluation of Fisheries Administration, Production and Management of Selected Lakes in Southwest, Nigeria

Supervisor: **Prof. Y. Akegbejo-Samson**

AJAGBE Stephen Olubusoye

Thesis: Biological Features and Environmental Variables of Ichthofauna, Plankton and Macrophytes of Ikere-Gorge, Oyo State, Nigeria

Supervisor: **Prof. D. O. Odulate**

Ph.D. (Fish Nutrition)

ALATISE Segun Peter

Thesis: Nutritive Value and Utilization Potential of Processed Baobab (*Adansoniadigitata*) Seed Meal in the Diet of African Mud Catfish (*Clariasgariepinus*) Fingerlings

Supervisor: **Prof. S. O. Otubusin**

BUSARI Akinloye Nureni

Thesis: Nutritive Value and Utilization of Processed Plantain Peels on the Diet of Mud Catfish (*Clariasgariepinus*) (BURCHELL, 1822) and Hybrid Clarias (*Heterobranchislongifilis x Clariasgariepinus*) Fingerlings

Supervisor: **Prof. S. O. Obasa**

Ph. D. (Fish Pathology)

AKINTAYO Ibukunoluwa Abiola

Thesis: Efficacy of Selected Plant Extracts on *Citrobacterfreundii* Isolates in Farmed *Clariasgariepinus* from three States in Southwest Nigeria

Supervisor: **Prof. A. A. Akinyemi**

Department of Environmental Management and Toxicology

Ph.D. (Environmental Management)

OJETOKUN Oluwaponmile Tosin

Thesis: Biogas Production from Animal Dungs, Water Hyacinth and Palm Oil Mill Effluent Using Fixed Dome and Floating Drum Digesters

Supervisor: **Prof. B. S. Bada**

Ph.D. (Environmental Management)

OKIMIJI Oluwaseun Princess

Thesis: Assessment of Urban Environmental Quality Changes in Informal Settlements of Lagos Coastal Area, Nigeria

ABDUSSALAAM Sadiq Adisa

Thesis: Assessment of the Institutional Framework and Community-Based Strategies for Flood Disaster Management in Selected Parts of Lagos State

Supervisor: **Dr. O. H. Adedeji**

HASSAN Isiaka Adio

Thesis: Environmental Impacts of Quarry Activities on the Neighbouring Localities in Ogun State

Supervisor: Prof. C. O. Adeofun

Ph. D. (Environmental Toxicology)

OGUNBISI Mercy Adenike

Thesis: Occurrence, Sources, Distribution and Risk Assessment of Polycyclic Aromatic Hydrocarbons and Polychlorinated Biphenyls in Ogun River and Lagos Lagoon, Nigeria

Supervisor: Prof. T. A. Arowolo

COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT

Department of Aquaculture and Fisheries Management

Ph.D. (Fish Nutrition)

ADENIJI Ayotunde Rotimi

Thesis: Effects of Differently Processed Lima Beans (*Phaseolus Lunatus*) Meal in the Diet of all Males *Oreochromis niloticus* (Linnaeus, 1758) Fingerlings

Supervisor: Prof. W. O. Alegbeleye

Department of Environmental Management and Toxicology

Ph.D. (Environmental Management)

TOPE-AJAYI Opeyemi Oluwaseun

Thesis: Environmental Implications of Urban Growth, Land-use/Land-cover Change and Urban Heat Island Phenomenon in Ibadan, Nigeria

AMUJO Brenda Temitope

Thesis: Structure and Environmental Impact of Housing Estates in Urban and Semi-Urban Areas of Ogun State, Nigeria

Supervisor: Prof. C. O. Adeofun

EZENNIA Obioma Jennifer

Thesis: - Bioremediation of Crude Oil Polluted Soils Using Composted Organic Wastes

Supervisor: Prof. T. A. Arowolo

ALAMU Salawu Abideen

Thesis: Impact of Compost on Heavy Metal Uptake and Growth of Selected Crops on Polluted Soil

Supervisor: Prof. O. Bamgbose

Ph. D. (Environmental Management and Toxicology)

ADEJOBI Mayowa John

Thesis: Carbon Sequestration Potential of Soil under Different Land Use and Management Practices in Parts of Southwest Nigeria

Supervisor: Prof. A. M. Gbadebo

Department of Forestry and Wildlife Management

Ph.D. (Forestry Economics and Management)

OKWU Chioma

Thesis: Economic and Ecosystem Services Valuation of Rubber Agroforestry Systems in Edo and Delta States, Nigeria

Supervisor: Prof. M. F. Adekunle

Department of Water Resources Management and Agrometeorology

Ph.D. (Water Resources Management)

ODJEGBA Enovwo Erere

Thesis: Assessment of Sustainability and Risks of Drinking-Water Supply Systems

in Ogun State, Nigeria
Supervisor: Prof. O. A. Idowu

COLLEGE OF ENVIRONMENTAL RESOURCES MANAGEMENT

Department of Aquaculture and Fisheries Management

Ph.D. (Fish Nutrition)

ADENIJI Ayotunde Rotimi

Thesis: Effects of Differently Processed Lima Beans (*Phaseolus Lunatus*) Meal in the Diet of all Males *Oreochromis niloticus* (Linnaeus, 1758) Fingerlings

Supervisor: Prof. W. O. Alegbeleye

Department of Environmental Management and Toxicology

Ph.D. (Environmental Management)

TOPE-AJAYI Opeyemi Oluwaseun

Thesis: Environmental Implications of Urban Growth, Land-use/Land-cover Change and Urban Heat Island Phenomenon in Ibadan, Nigeria

AMUJO Brenda Temitope
