14. Short Profile: Mrs. Dorcas Adebisi **Rahman** an Assistant Lecturer in the Department of Library and Information Science, College of Entrepreneurial and Development Studies, Federal University of Agriculture, Abeokuta. holds a Master in Library and Information Studies (MLIS) from the University of Ibadan (2023) and a Bachelor of Library Studies from the same university (2016). also holds qualifications in media and information literacy, adult education and community development, data processing, word processing and desktop publishing, reflecting a multidisciplinary background in library services, information literacy and information technology.
My professional experience at FUNAAB spans from university administration and library services. I worked in different units and sections of the University, the University main library inclusive, ('Nimbe Adedipe Library,Funaab), where I served across Acquisition, Readers' Services, Cataloguing, Serials and automation units. My experience includes information-resource processing, user services, cataloguing support, serials management, records management and supervision of library support activities.
My research interests focuses on Artificial intelligence tools for information retrieval, Academic libraries, postgraduate research productivity, Information literacy and

digital research skills. Scholarly outputs include work on, **Online Information Resources and Academic staff Research Productivity in public Universities in Ogun State, and a co-authored journal article on Competitive Intelligence in Marketing Library Services in public University libraries in Southwestern Nigeria.** Professionally affiliated with the Librarians' Registration Council of Nigeria, Nigerian Library Association, Ogun State Chapter, and the Association of Women Librarians in Nigeria, Ogun State Chapter.
